HP Slimline Desktop 290-a0006na

Reliable desktop PC with generous storage

Surprisingly slimmed down, this space-saving desktop could just as easily fit on your desk as under it. With powerful hardware, reliable performance, and generous storage, your everyday computing is something to get excited about.

Elevated performance
Multi-task efficiently and manage all your day-to-day demands with a reliable processor.

Designed to fit in or stand out
Whether you show off your tower or tuck it away, the HP Slim Desktop PC was designed to blend in without dominating your space, thanks to a sleek design and microdot pattern.

Connect and store it all
With tons of ports, dual-monitor support, and ample storage, this desktop is ready to stream your favorite shows, store all of your photos, and connect with anything you're into.

HP Slimline Desktop 290-a0006na

Featuring

Windows 10
Do great things confidently with the familiar feel of Windows - only better.[1]

Dual-core AMD A6 processor
Get the lightning-fast speed you need for all your day-to-day tasks. Dual-core performance lets you work with multiple applications at once and play the latest games without experiencing crippling slowdowns.[2]

AMD Radeon™ R4 graphics
Whether it's games or movies, experience high performance for all your entertainment.

Hard drive storage
Don't worry about growing your collection of digital movies, songs, and pictures. With massive storage options you can save it all, and still have plenty of room left over.

Re-writable DVD drive
Watch and write DVDs using the integrated optical drive.[3]

DDR4 RAM options
Designed to run more efficiently and more reliably at faster speeds, DDR4 is the future of RAM. With its higher bandwidth, everything from multi-tasking to playing games gets a performance boost.

Dual display support
Add a second display for a more immersive computing experience. With dual monitors, you can increase your productivity, boost your gaming experience, or just make multitasking easier.

5.1 Surround Sound output
With all the necessary ports for true 5.1 surround sound, give your favorite movies, shows, or music more nuanced, immersive sound quality, just by hooking up a Surround Sound speaker setup.

Feature Messaging Footnotes

[1] Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com.
[2] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.
[3] Actual speeds may vary. Don't copy copyright-protected materials.

Technical Specifications Footnotes

[1] 25 GB of free online storage for one year from date of registration. For complete details and terms of use, including cancellation policies, visit the website at www.dropbox.com. Internet service required and not included.
[2] McAfee LiveSafe 30-day free trial offer (Internet access required. First 30 days included. Subscription required for live updates afterwards.)
[6] Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.
[7] Max Boost clock frequency performance varies depending on hardware, software and overall system configuration.
