

HP Chromebook x360 14b-ca0004na

The apps you love. The power to keep them going.

The entertainment you want. The performance you need. Now you can have both with 360° of versatility in a Chromebook designed so you can do more. Packed with features galore, this 35.6 cm (14") diagonal, convertible PC delivers a long battery life and access to the Google Play Store, so you can play, chat, and create longer.

Big on features, big on performance

Get the features and portability you need to get things done - featuring an Intel® processor¹ and graphics, a fanless design for a quieter computing experience, USI universal stylus support² and a long battery life³.

Entertainment that adapts to you

With the versatility of a 360° hinge, the beauty of a narrow-bezel, high definition touch display, a seamless metal keyboard deck and Audio by B&O, your entertainment experience looks as good as it sounds.

Apps for everything

Redefine how you work and play with the seamless integration of your favorite Chrome browser, always secure and up to date, and access to a huge selection of apps in the Google Play Store.⁴

HP Chromebook x360 14b-ca0004na

Featuring

Chrome

This easy-to-use operating system was designed to be fast in every possible way, while keeping you safe and more secure on the web.

Quad-core Intel® Pentium® Silver processor

The perfect combination of performance, power consumption, and value helps your device handle multitasking smoothly and reliably with four processing cores to divide up the work.⁵

Google One

Get access to Google One for one year, which includes 100 GB of Cloud storage, support from Google experts, and unique member benefits – all in one shareable plan.⁶

FHD IPS touchscreen

Always see your content at its best with 178° wide-viewing angles and a vibrant picture. And with touchscreen technology, you can control your PC right from the screen.⁷

USB 3.1 connector

With the world's most popular USB connection, you can easily connect any of your existing USB devices and experience data transfer speeds ten times faster than USB 2.0.

64 GB eMMC storage

An embedded Multimedia Card provides reliable flash-based storage at a great value. And without the moving parts of a traditional hard drive, there's a lower chance of failure and damage.

DDR4 RAM

Designed to run more efficiently and more reliably at faster speeds, DDR4 is the future of RAM. With its higher bandwidth, everything from multi-tasking to playing games gets a performance boost.

HP Wide Vision HD Camera

The 88-degree, wide-angle field of view lets you video chat with the entire family or group of friends in crystal clear detail.⁸

Chrome

This easy-to-use operating system was designed to be fast in every possible way, while keeping you safe and more secure on the web.

Fanless design

Your PC runs cool and quiet, with no noisy hardware or unsightly vents, thanks to an innovative design that eliminates the fan.

360° geared hinge

Innovatively engineered to rotate 360° so that you can use your device in four positions. Work in laptop position, watch in reverse position, play in tent position, and go in tablet position.

Optimized metal design

Streamlined, premium metal design delivers a thinner, lighter PC while providing robust durability—thanks to advanced 3D metal-forming technology.

Google Play Store

The millions of Android apps you know and love on your phone and tablet can now run on your Chrome device without compromising their speed, simplicity, or security.¹⁴

Narrow bezel display

By squeezing a larger screen into a smaller frame, this narrow bezel optimizes your display's appearance with an efficient design.

Key Selling Points Footnotes

- ¹ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- ² Pen support provided, but pen sold separately.
- ³ Testing conducted by HP using Google Chrome OS power LoadTest. Battery life will vary and the maximum capacity of the battery will naturally decrease with time and usage. See <http://www.chromium.org/chromium-os/testing/power-testing> for test details.
- ⁴ Google Play Store apps sold separately and not included.

Feature Messaging Footnotes

- ⁵ Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance will vary depending on your hardware and software configurations. Intel and Core are trademarks of Intel Corporation in the U.S. and other countries.
- ⁶ This Google One membership offer (Offer) provides you with subscription benefits at no charge for a period of twelve months from the day you redeem the offer. After you redeem the offer, you can confirm the Offer period end date in your Subscriptions page in the Google Play Store. The Offer requires a Google Payments account. Offer expires and must be redeemed by January 31, 2020. This Offer is limited to new users of Google One in Australia, Canada (excluding Quebec), Denmark, Finland, France, Germany, Japan, Netherlands, New Zealand, Norway, Sweden, United Kingdom, and the US who purchased a new Chromebook device on or after May 1, 2019. See www.google.com/chromebook/offers/ for details.
- ⁷ Full high-definition (FHD) content is required to view FHD images.
- ⁸ Features may require software or other 3rd party applications to provide the described functionality.
- ¹⁴ Access to the Google Play Store and related apps will be provided as part of a regular OS update. This feature might not be available at time of purchase; for an update on the Play Store release timing, go to www.google.com.
