

HP ENVY x360 13-ag0001na

Freedom to work, watch, play anywhere

The remarkable versatility of the 33.8 cm (13.3") ENVY x360 PC gives you the freedom to go anywhere life takes you. With the newest AMD processor and up to 11 hours of battery life¹, it delivers ample power in a slim and sleek design that's easily portable. Enhanced privacy frees you up to do more on-the-go.

Power to turn heads

Tap into truly impressive notebook performance with AMD[®] Ryzen[™], Radeon[™] Vega graphics and up to 11 hours of battery life¹ for work and play.

Highly intuitive interaction

Experience intuitive interactions with Corning[®] Gorilla[®] Glass NBT[™] touchscreen, quick logins with the IR camera, and Windows Ink.² Experience natural computing that's designed for your on-the-go-life.

BANG & OLUFSEN

Next-level entertainment

Immerse yourself in next-level entertainment on an ultra-bright FHD³ or 4K UHD⁴ on select models micro-edge display. Quad HP Speakers custom-tuned by experts at Bang & Olufsen awaken your senses with PC audio perfection.

¹ Windows 10 MobileMark 14 Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bapco.com/products/mobilemark-2014/> for additional details. ² Some features including voice supported Cortana, and inking require more advanced hardware. See www.windows.com. Apps sold separately. ³ Full high-definition (FHD) content required to view FHD images. ⁴ 4K content required to view full 4K images.

Featuring

Micro-edge display with edge-to-edge keyboard

This beautifully efficient design couples an ultra-thin bezel with an edge-to-edge keyboard, maximizing display and keyboard area.

An exceptionally rich audio experience

With HP Quad Speakers, HP Audio Boost, and custom tuning by the experts at Bang & Olufsen, entertainment comes to life with sound you can feel. Awaken your senses with PC audio perfection.

Dual 4K support

Complete with all the ports necessary for an immersive dual 4K set up, get an expansive entertainment or productivity experience by easily connecting two external 4K displays.¹⁸

Backlit keyboard

Keep going even in dimly lit rooms or aboard red-eye flights. With an illuminated keyboard, you can type comfortably in more environments.

HP Fast Charge

When your laptop is low on power, no one has time to wait hours to recharge. Power down your device and go from 0 to 50% charge in approximately 45 minutes.¹⁹

USB-C™

Power your device, transfer up to 5 Gb/s of data, or connect to an external display all from just one USB-C™ port. And it's reversible, so you never have to worry about plugging in upside down.^{20,21}

All metal chassis

See and feel a heightened sense of craftsmanship with an all-metal angular design, polished accents, and high-quality materials built to last.

Sleek design

Easily take this thin and light PC from room to room or on the road. When your PC goes wherever you go, staying productive and entertained has never been easier.

360° geared hinge

Innovatively engineered to rotate 360° so that you can use your device in four modes. Work in laptop mode, watch in stand mode, play in tent mode, and go in tablet mode.

Elegant craftsmanship

A refined convertible design changes the way you see technology, with a chiseled look along the back and an angular profile along the sides.

¹⁸ 4K content required to view full 4K images.

¹⁹ Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the laptop, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP Spectre 2-in-1 and HP x2 PC models. See <http://store.hp.com> for a full list of product features.

²⁰ Transfer rate may vary. All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
